

Dunkin Donuts' Go2s

Dunkin Donuts was offering some interesting sandwich deals last year. You could purchase two sandwiches for very little money. Sounds filling and very reasonably priced.

Can you figure out how much each component of these sandwiches added to their price? Does Dunkin give you enough info to do that? Figure out what you can and what you cannot deduce.

Sandwich #1	Two Egg & Cheese Wake-Up Wrap® sandwiches for \$2	
Sandwich #2	Two Sausage, Egg & Cheese Wake-up Wraps® for \$3	
Sandwich #3	Two bagels with cream cheese spread for \$4	
Sandwich #4	Two Bacon, Egg & Cheese Breakfast Sandwiches for \$5
