

How's your 3-d thinking?

Can you build this? I've lined up my blocks so that you can't see my whole creation. Play with some blocks and try to answer these questions.

*Front view of my blocks*

*Side view of my blocks*

1. How many blocks did you use?
2. What is the maximum number of blocks in my creation? Try to draw a picture of this.
3. What is the minimum number of blocks in my creation? Again, try to draw a picture of this.
