

## Which is the Best Deal on Candy?

We're shopping for Halloween candy and there are so many choices of mixed bags of candy.

1. Which deal on large bags of candy is best deal? Which is the worst deal? How do you know? Can you find more than one way to determine this?

<i>Product</i>	<i>Cost</i>	<i>Pieces</i>	<i>Cost per Piece</i>
Runts, Gobstoppers, Baby Ruth	\$6.99	90	
Almond Joy, Whoppers, Kit Kats	\$15.99	160	
Starburst, Skittles, Snickers	\$15.99	150	
Life Savers Yummies, Skittles	\$13.69	95	
M&M's, Twix and more	\$14.74	135	
Snickers	\$9.94	45	

2. Make up your own mixed bag of candy. What candies will you use in your mix? Create your number of pieces and cost, so that the cost per piece comparable in price to the mixed bags in the table.
