

Chili con Queso at Moe's

How much should a 42-gallon jug of chili con queso cost?

General information: Moe's didn't have the chili con queso prices posted, but they did have the prices for Moe's Famous Queso posted. They were as follow:

2 oz. side	\$0.99
6 oz. cup	\$3.29
12 oz. bowl	\$5.59

I also looked around online to find chili con queso costs. Here is what I found:

Stonewall Kitchen Chili Con Queso - 16 oz.	\$6.19
Desert Pepper Chili Con Queso - 16 oz.	\$4.69

In case you need conversions:

1 cup = 8 ounces

1 pint = 16 ounces

1 quart = 32 ounces

1 gallon = 128 ounces

So how much do you think a 42-gallon jug of chili con queso should cost? Show how you determined your cost?
