

**ACT 1: Check out this picture.**

Write down the first question that comes to mind, if any.

Question that the class is trying to figure out:

---

Make your best quick guess or estimate as to the answer of that question: \_\_\_\_\_

What information would be useful? What information do we have?

**ACT 2: Info, reasoning, work, answer.**

Show your work below this picture.

### **ACT 3: The Reveal.**

The actual answer is:

My original estimate was:
