

Fine

Darren Rovell from ESPN just reported that TJ Watt lost some of his pay for the game because of this roughing the passer call. What do you notice? What do you wonder?

Darren Rovell 
@darrenrovell

JUST IN: @_TJWatt lost 38% of his paycheck from Sunday for a \$20,054 fine that resulted from this "Roughing The Passer."

1. How much does TJ make per game? Show how you know.
2. Can you find another way to solve this problem? Consider using a ratio table, a double number line, a proportion, an equation or any other way.
3. How many roughing the passer calls would it take for TJ to lose his entire paycheck for the day?
